| How to use | Wet hair with warm water. Apply shampoo and massage into a lather. Rinse and repeat. |

| Ingredients | Effect |
|---|--|
| Bran consists of the valuable outer part of wheat | <p>Bran's beneficial effect on the skin has been known for centuries.</p> <p>Balma Bran is obtained and prepared according to a special procedure which ensures that the pure, natural vitamins in the bran, so important for the skin, are retained in a particularly concentrated form.</p> <p>Each sachet provides a wonderful, gentle and natural way to protect skin.</p> <p>Balma Bran makes the water milky and soft, cleans and protects delicate and sensitive skin gently from soreness and rashes.</p> <p>How to use: Just squeeze a sachet in lukewarm water and use it like a sponge. Sachets are available in three sizes, baby bath, adult and lady's complexion care. Sachets can be used once only.</p> <p>Balma-Bran Baby-Bath is manufactured without animal testing.</p> |
