Tenderly soothes and relaxes. **TENDERLY BODY ESSENCE** increases the skin's moisture content, and nourishes and cares for the skin. Especially suitable for massage.

CTFA formula: Soybean Oil, Sweet Almond Oil, Apricot Kernel Oil, Jojoba Oil, Tocopheryl Acetate, Fragrance.

Instructions for use: The skin is particularly receptive to Body Essence after bathing. Apply the essence as follows for maximum benefit:
A) Pour a teaspoon of **TENDERLY BODY ESSENCE** into the palm of the hand. Rub hands together briefly and apply the essence to chest and buttocks with a circular movement.
B) Using a little more **TENDERLY BODY ESSENCE**, stroke the solar plexus using an anti-clockwise movement. Then stroke the Body Essence onto the stomach from bottom to top using gentle pressure.
C) Pour another teaspoon of essence into the palm of the hand, rub the hands together gently and stroke it gently upwards over each arm, moving from the hand to the shoulder. To obtain a greater effect, the hand should completely grip the arm with gentle pressure as it moves upwards. All movements performed on the limbs should move in the direction of the heart, in order to promote blood and lymphatic circulation.
Using another teaspoon of **TENDERLY BODY ESSENCE**, massage the legs similarly from bottom to top. Using both hands, starting from the ankle and working up to the top of the thigh, grip the leg firmly and slide the hands upward. Massage both legs in the same way.
